My Home Town

Remember those easy lays that put out for anyone back then? One horny dude heads back his home town to find out if they still do.

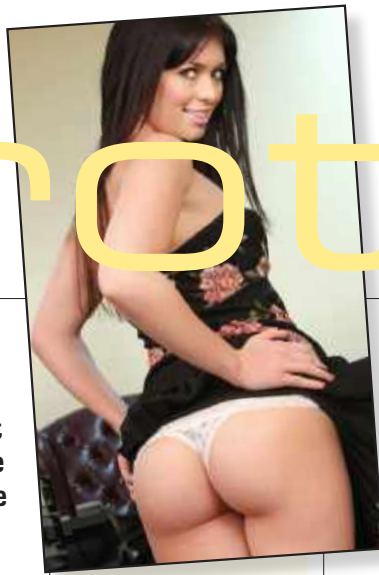

Her lips alone could give you the shivers, the way they puckered around a cock. It wasn't just the feel of them but the way they looked. I never knew a sucking mouth could look that hot, but hers did. Her eyes, three-quarters closed, only added to the picture.

It was an awkward position, propping myself up on my elbows in order to watch her suck me off. But it was worth the effort, for the extra jolt to my nuts I got when I saw how she looked. She was really getting into it too. I'd already reamed out her pussy with my dick, and she'd already sucked me off before. Just doing it to me had gotten her so hot that she'd begged me to go down on her, and I'd eaten her out till she was screaming. That had gotten me hot again, and here we were.

From the look on her face I assumed she was going to need her pussy licked again, as, soon as I blew my hot load, which I knew wasn't going to be that far off at the rate we were going. I took one last look at her face, a study in enjoyment, and lay back. I was too weak to prop myself up again and I knew I was close to shooting. She knew too and she bobbed her head faster, increased the degree of suction, and began going "mmm" like it was too good to keep to herself. I shot off like it was the Fourth of July.

As soon as I caught my breath I tried to change positions so I could get to her, but she stopped me. "I haven't got another one in me," she said. "I wish I could, but at 28 I'm already noticing I'm slowing down." She had a wry grin, but the contentment of two good orgasms shone in her eyes and I couldn't feel too sorry for her. I didn't think she felt too sorry for herself either.

"I bet you must have been some tiger when you were younger!" I said.

lesson learned

I'm writing as a lesson for all you guys and gals if you decide to cheat on your significant other.

A couple months ago I had to attend a meeting at a hotel conference center near the airport. Some material I needed was at the house, which is on the way to the hotel, so I stopped in to pick them up. I noticed my husband's car in the driveway and thought he had come home from work early.

When I walked into the house and into the bedroom looking for him, I found him (the bastard) with another woman. He sat up, completely still, while she covered

"Are you kidding? I was the biggest virgin in high school!"

"Is this is what a virgin grows up to be? What about the chicks who were something less than chaste?" I wondered out loud.

"Oh, you mean the wild crowd?"

Well, one of them became a member of some kind of religious group; like it's straight out of a Hollywood B movie. And one of them is a waitress at a truck stop and doing a little light hooking on the side, about what you'd expect," she said. "I don't know about the others. Probably settled down and married. They couldn't keep on like that forever! What about the ones you hung out with?"

What about them? I wondered. Most of the girls were still virgins back in the day, at least where I was growing up.

A few of those girls gave it up for their steady boyfriends, which was still considered daring but didn't qualify them as "bad." The bad girls, or fast girls, were easy to spot: tight tops, short skirts, tight stretch pants on weekends. Overdone hairdos and heavily applied makeup. A sexy swagger; maybe not sexy, but sexual. You knew. Anyone knew. Where were they now? Who were they now?

The town I grew up in is only about an hour's drive from the city, but I'd never had an occasion to go back. Well, now I had a reason. Some of the "Unholy Five" still had to be living there. I thought I'd check them out.

Anna was known as the “Parking Lot Queen.” Many lunches were missed on account of her. Who wouldn’t rather have a fast blowjob than a sandwich? Anna loved to service the guys. I wonder if she was looking for acceptance, or love, or whatever she was trying to find by behaving that way. I wonder if she even gave a really good blowjob.

Back then, I didn’t know a good blowjob from a bad one. I didn’t care why she did it; all I knew was that Anna could be had by some guys during some lunch hours, if she was in a good mood.

It wasn’t the most romantic way to get your rocks off; there was no privacy. Four guys might be crowded into the car, all watching the guy who was getting blown. None of us were exhibitionists, but except for the very shy or the very small-dicked, we put up with the audience in order to get the blowjob. Anna wouldn’t fuck, but then again neither would most of the other girls. So a back-seat, lunch-hour blow job was more than we were likely to encounter elsewhere, with very few exceptions.

Renee was one of those exceptions, a tall chick with short boyish hair that contrasted with her big boobs. It was rumored that she was a 38DD, and by her looks there was no reason to argue. Renee was always snapping gum or making wise-ass remarks, except when she was engaged in sexual innuendo, which was often. Any remark about something big or hard or stiff was bound to elicit a comment from Renee. Certain other words got inevitable reactions too: ‘want’; ‘wet’; ‘hot’—almost any word that could be sexually misconstrued.

herself with our sheets. I quickly dropped my things and darted towards the bitch, pulling her by the hair and screaming at her.

My husband, on the other hand, said nothing and just sat there. Within several minutes of attacking the bitch, she ran out while I stood in the doorway of our bedroom looking back at him once again waiting for him to say something.

“Baby, it’s just not what it looks like.” He whimpered, but I hushed him putting my lips against his, sliding my tongue along them. “I know this happened because I’m working to much?” I pouted, pulling off my blouse and bra. He looked dumbfounded. “I’ll show you there’s no other woman out there but me.” I moaned grinding his already erect

Unlike Anna, Renee wouldn’t take it in the mouth; she thought it was disgusting and perverted, but she put out. When our girlfriends gave us blue balls or the sight of Playboy centerfold left us with hot nuts and nowhere to empty them, Renee was available. She even did it when she had her period, which most of us thought was gross. She said that was the best time, because even if we were wearing retread rubbers and they burst she still couldn’t get knocked up.

Renee would say, “Who loves you, baby?” all the time. We’d get left with our balls full by some stuck-up bitch who would let us feel her titties till we thought our hands would burn up, and then refused to open her legs or even suck down. So we’d turn to good old Renee, who was always waiting to spread for us. We didn’t even have to take her out or buy her anything. She just wanted us to acknowledge that she was special, and we needed her.

She’d step out of her skirt, which was usually all she wore (no panties), and she waste no time taking care of us.

We used to say that Renee’s legs would open automatically whenever there was a stiff one around. She certainly was always wet. She’d pull me down and put her arms around me in an almost motherly way, and she’d coo things into my ear and caress my back and my shoulders while she worked her hips in fantastic gyrations. She’d clench her pussy up real tight around my cock till she squeezed the cum right out of it. Sometime she bit me and she never cared about how many hickeys I left on her neck. She wore her hickeys like war medals and never hid them with turtle-necks, like the so-called “nice” girls did.

Her body went stiff as a board when she came and she moaned like she someone stepped on her toe. Real unearthly. She really got a charge out of sex, for sure, and she made sure you enjoyed it more than the nice girl who occasionally gave in. We always left the nice ones feeling like they had done us some big favor or that we had done something awful to them. With Renee it was almost like we were doing her a favor. I didn’t have the biggest dick in the world. But Renee seemed to enjoy whatever I had to give her, and that made it all so much better when my

hot lava erupted into her steamy cunt.

Patti was the slam-pig of the town; fat and sloppy with messy hair and a generally dirty look. She wasn't exactly the type you'd want to stick your dick in. I guess that's why she put out. Nobody would have gone with her otherwise. This way she could get the guys to pay some attention, but even so it wasn't easy. She would have really been out in the cold; what with Anna and Renee taking top honors, except for one thing: Patti had a diaphragm.

Since she wore a 'phram, we didn't have to wear a rubber. We all liked going bareback a lot better. As we used to say, it's no fun going swimming with your raincoat. We liked to feel those warm, slippery walls on our sensitive cockheads, with no rubber to impede the sensation. It was worth fucking a pig to get the extra sensation and really feel those wet walls close around. I did it a number of times when I could have had Renee's pussy or Anna's experienced mouth. It was worth the price, going in bare back and sliding up that wet tunnel of love till I touched the firm, wet top, and then banging away till I had sprayed my own wetness into her.

There were two other members of the "Unholy Five," but we never had a chance with either of them. Ramona and her BFF Jeanette went strictly for older guys.

Ramona's nickname back then was the "Town Taxi" because everybody rode her, except guys our age. College guys and older men, even some teachers, were her game.

Jeanette was a honey blonde with magnificent tits and a come-hither smile that was no lie. She was the statuesque and shapely object of every local boy's lust, but she satisfied only the lust of our elders, leaving us to choose between Anna, Pat or Renee. Jeanette's nickname was "Mouth," and she didn't earn the name in public speaking. She'd fuck, but sucking was her specialty, according to more than one older brother of the guys in our crowd.

Well, that's what I can say about the Unholy Five, but where were they now? Which is why I went back.

Patti had left town 10 years earlier. Her generosity had played itself out. With so many women available, a chick that puts out wasn't enough, not even one who wore a diaphragm

cock. I lifted my skirt and massaged my clitoris "Ahh!" I whined as his lips found my neck.

I was already soaking through my panties and he'd been growing impatient, I gripped his cock and pressed it against my pussy, pushing it inside me. After adjusting myself, I began bouncing on his cock, riding him hard.

I cried "Harder, do it harder." as his sex ground into mine and not too much later his hand struck my ass. Again, and then again. I rode him faster and faster, grinding my pelvis into his, rubbing my clit against the base of his cock and I heard him grunt as he began to fill me.

It was a thick load and it overflowed out of my pussy. A few thrusts

so rubbers weren't necessary. Nobody had heard from her since she moved. Jeanette still liked older men; she'd married the mayor! There were rumors that she still played around, but if she did she was discreet about it, traveling to other towns to have her fun.

I was absolutely relieved to hear that Ramona was still going strong. I ran into Ben, an old bud, and he said he could tell me plenty about Ramona. "I was banging her just last night," he admitted. Then she didn't insist on older men anymore?

"Or maybe we're the older men now," he countered. "But I'll tell you, she hasn't lost any steam.

That chick still has a body that won't quit, or one thing. Her tits may not be as big as Jeanette's; but they're a 36C, and that's a mouthful.

We had her over to the lodge last month; she was assisting some third-rate magician. She's always taking these weird jobs!

"A n y h o w , damned if she didn't go down on a bunch of the lodge brothers afterwards! I guess she'd have done ev-

ery last one of them if she had her way, and you know they were all aching for it—every one of them with a pole in in his pants. But some of them are married, and some of them take their marriage vows seriously."

"And you?" I asked him. "Married, yep, but I don't take it too seriously. Hell no! If I took it seriously, I'd miss out on Ramona. She's got tits you can fuck, you know. She holds them together and you can drive your rod right between them. I love to put it between her tits when it's soft and work myself

hard that way. She loves it too when I rub her tits like that; she really goes to town. I pull out and stick it in her hole before I come, though. There's nothing like a wet pussy when you're ready to shoot your load. Not even Anna's mouth."

"The Parking Lot Queen?" I asked. "Is she still at it?"

"Well, she's not doing it in the parking lots anymore, if that's what you're asking. But she's added straight fucking to her repertoire."

"Then she's still what you might call available?"

"She's still easy. Interested?"

"I might be, but I've only got a few hours to spare. If I'm going to do any personal research, I think I might prefer to check out Renee."

Ben shook his head. "She's married now and doesn't fool around. She doesn't even enjoy sex any more, that I know of. At least that's the word I heard. She got turned off to it some time back, even before she got married."

"For a while she just went through the motions, then she stopped altogether. For about five years she was almost like a hermit—going to work, coming home, and hardly having any-

thing to do with anyone except her folks, her sister, her niece and nephew. Then she got all religious. That lasted about three years. Then she began getting involved in the community, but no sex. It's the truth.

"And then she met some new guy who moved in town, an optometrist. He started taking her to the movies and visiting her, got serious, and proposed. She told him the truth

later and I finally achieved mine, squirting onto his cock and falling onto his chest. "I love you." I panted before kissing his cheek.

I went down and began to lap up our cum and he grew hard once again. I gripped him and sucked on his cock. I loved massaging his balls. I loved everything about them. I leaned down and sucked on them while his cock grew thicker and harder, I wanted to him to fuck my boobs.

I pulled him to sit up but before he could question what I was doing I was rubbing the tip of his cock against my nipple. I pressed them together offering friction for his thrusts.

I loved it when he played with them because they were

about her past, but it had been so long ago that he said it didn't count. The only trouble is she just doesn't enjoy sex at all any more, not even with him. It's pretty common knowledge around town. So if you want to check out the local action, either it's Anna or one of the new bitches. There's a cute hottie that puts out for us guys. Ramona's over in the next county this weekend doing a show with a small-time travel revue, so you can't get into her today."

I told Ben I didn't want to check out the latest pussy on the hoof. I only wanted to see what the old badass girls were up to, so we drove over to Anna's house.

She was home and she seemed glad to see me. I'm not sure she really remembered me, but she was glad to see me anyhow as soon as I told her I had fond memories of the parking lot at school. Seeing her was to be the high point of my visit to my old home town.

Ben was there, so it seemed only natural for him to be part of the action. I'm not accustomed to group sex, but being with Anna I sort of slipped into something that was a cross between the old ways with her and my usual brand of sexuality. It wasn't the old group suck-off, but it wasn't one on one either.

Anna had learned to use more than just her mouth, but her mouth was still her favorite sex organ. Like I said before, I don't know if she was really that good back then, but I guess all that practice must have taught her something. She gave a really great blowjob to me, crouched above me while Ben stuck it to her doggie-style from behind.

Even with my eyes closed, I knew what he was doing. Each time he shoved it into her, he groaned with excitement and Anna sucked real hard on my cock and bobbed her head down hard with the weight of his thrust. I felt his movements translate through her mouth onto my shaft, and as his excitement got conveyed to me in that way I was burning intolerably from the need to blow my load into Anna's mouth.

She took her time, except when Ben's measured but passionate thrusts caused her to grab me more greedily with her suctioning mouth. No more fast assembly-line blowjobs. This girl had really elevated her favorite sport

to an art. She liberally sprinkled her sucking with kissing up and down the shaft, and she alternated the kisses with licks. I wanted to dick her mouth till I shot hot wads straight down her throat to her belly, but her delaying action kept me in a sustained heat as she repeatedly withdrew the warmth of her lips to lick or kiss my aching shaft, keeping me warm but holding off my orgasm. Yet every time Ben shoved hard into her depths from the rear, she lost her self-control and greedily gulped my aching dick.

She kept me suspended until Ben, despite the lazy rate at which he was penetrating her, grabbed her ass one last time and thrust inward all the way, shooting hot liquid into her cunt and scraping her with his nails. At this she sagged down off her knees and collapsed across me, sucking me in as she fell and finishing me with rapid deep sucks till she'd drawn all my thick fluid into her gullet. As I shot the first of my salvos, her body was wracked with the waves of a thundering climax that rolled across her and possessed her entirely.

Not one to pass up an opportunity to use an experience to its fullest, Ben suggested we go at it again, with his cock being the one to experience her oral favors this time. He suggested I penetrate her anally, but I really didn't feel in the mood for that game. Instead, I chose to sit this one out and watch, and take my turn at her cunt later on.

I watched as Ben laid her on the bed and fucked her mouth in a frenzied rush. She hardly had a chance to demonstrate her skills while sucking him off in this manner. She just lay back, opened her mouth, and let him have his way. I guess she showed off her talents at that, because he thrust his tool as far down as he could and she never once gagged or choked. That's a skill if there ever was one.

As for me, I watched and felt my cock rise once again. Thankfully, it took little time for Ben to come again. He didn't ask her if she had come or if she wanted to, but merely gestured to me that it was my turn to have a go.

I lay on my back, my rigid pipe sticking upward, and gently pulled Anna on top of me. After that savage mouth-fucking, I want her to have control. On top she'd be the one to set the pace. She rode me with skill, her

immensely sensitive. "I want you to cum on my tits!" He shook his head at me and I pouted until he pulled me up and shoved me against the wall to press his cock to my pussy.

I moaned as he covered my mouth with his and thrust harder into me. I moaned wrapping my legs around him, "Fuck meeeee!" He groaned and came inside me again but didn't slow down.

His balls smacked against me and his panting grew heavy. Just the moans threw me over edge and I squirted all over his cock, screaming in ecstasy.

We stayed that way for a few minutes and I didn't attend my meeting that afternoon.

— Janelle, NYC

thighs locked onto my hips and thighs as tightly as if I were a mechanical bull and her movements were a studied as the orchestrations of a symphony. She gripped me with her legs and with the walls of her cunt, but she moved slowly and once again dragged out my orgasm past what I would have thought possible or desirable.

Though her motions were measured, she wasn't cold in her deliberation. Beneath the careful exterior a fire raged. She simply wanted to keep it burning as long as possible. It wasn't easy for her to last long when I stirred up coals by stroking her pendulous globes as they hung above me, running my fingers from base to tip and gently pinching each nipple.

She couldn't hold back any longer and she thudded down above me hard; grinding her cunt against me, urging me deeper into her wetness as she ground around me hard, squeezing her orgasm out. Overstimulated by her clutching cunt, my dick shot off into her pulsing depths. Anna was still propped up on her arms above me and she opened her eyes and grinned wickedly at me.

I decided then and there not to let another 20 years elapse before I returned to my home town. Maybe I didn't have any family left there, but there were certain other inducements to visit.

I had gone back to find out what happened to those sluts as they'd got older, and I'd gotten my answer: Some stay bad. Some turn good. And, with enough practice, some of them learn to be even better—or badder!

TIFFANY HOLIDAY WAKING UP LIKE THIS

Just over five feet tall, Tiffany can suck and fuck with the best of them. The good thing is that everything on her is a little smaller, a little tighter. And guys like that. But that doesn't mean her mouth and pussy can't handle a big cock. She thinks these photos will prove that.

WANNA KNOW HOW TIGHT THIS HOLE IS?

Lilla felt a hand on her right shoulder and looked up. She saw a familiar face. It was the guy from her block.

Lilla and her parents had just moved into a new apartment while they waited for something bigger. Lilla had had a rough time but always had a smile on her face. At 19 years old, 5' 5", with a nice full bottom, full C-cup boobs, blue eyes and long naturally blonde hair, she was

prominent cleavage. Her hair was straightened and down looking quite sexy. She went around to her friend's house first. Chanel, a plumper brunette who was a bit of a loud girl, with a very large D-cup chest. At 10 pm they headed off into town a little worse for wear, with fake IDs in their bags,

served and Lilla was getting fed up by the number of hands that had brushed her butt and "innocently" knocked her boobs. Lilla felt a hand on her right shoulder and looked up. She saw a familiar face. It was the guy from her block. She recognized him and he said "Hi, you're the new girl in the block."

the pretty, quiet, girl next door type.

She had friends from school she regularly went out with and had a low paid job in a nursing home which bought her the things she needed and gave her enough money for a good night out every Saturday night.

It's fair to say Lilla was a breath of fresh air to the block, and the fellas would try and catch a cheeky glimpse of her as she came and went about her daily business, some times dressed rather conservatively other times dressed up all made up so as to pass the door staff and pass as a 21 year old at the local bars and clubs.

Matthew had an eye on Lilla and frequented many of the same bars and clubs in a vain attempt to cling on to his youth.

Saturday night came and Lilla was ready. All dressed up in a short pink dress which hung low showing off her

taking a taxi for the short ride.

Chanel wearing a purple skirt and black top, staggered out of the taxi first, followed by Lilla and they went into their favorite regular Saturday night haunt, Bodies. At Bodies girls got in for a ten spot and could drink as much as they could. The boys had to pay more to get in – and pay for their drinks. The bar trying to capitalize on the boys wanting to be where there are lots of girls, and the girls wanting a cheap night out.

Inside the music was loud and the queue at the bar was the usual six people deep. Girls could only get one drink at a time, and this meant there was always a large number at the bar and a number of men trying to chat them up and get the odd sly grope.

Having been in the queue for some time Chanel was getting louder and louder and frustrated at not being

She politely replied "Hey – yeah. How are you?" He introduced himself as "Matthew" and made some small chit chat. Matthew, well seasoned as a regular in the bar was holding two beers. He said to Lilla "You'll be waiting all night in here; have my back up beer." He always bought more than one. Although expensive for the men to buy drinks, it was a sure fire way to get a girls attention who was fed up waiting for a free drink. Lilla replied "Awesome." and gave Matthew a cute little smile before taking the beer and having a swig.

Matthew then suggested they move away from the bar for a chat. Lilla looked at Chanel who could see what was going on and gave her friend a wink before Lilla and Matthew moved outside for that chat.

Matthew was a little worse for wear and had drunk 3 beers already

BLAIR-NTS-09

as he had been out on his own, and being bored, gone through more drinks than he should have. Lilla too was feeling it, having shared a half bottle of cheap vodka with Chanel at her place before going out.

Lilla told Matthew all about school and her friends and what she did for work. Matthew got to the subject of age and said "Well how old are you young lady?" Lilla who had struggled to understand some of the idle chit chat due to the noise from the music replied "I'm really quite naughty, I'm only 19". Matthew replied "Really? Wow. I thought you were about 22. You are naughty and to think I bought you a drink that makes me naughty too." He laughed a little as did Lilla.

The night went on and Lilla never saw Chanel again until she got a tap on the shoulder at 2 am from her to say she was off, and asked if she was ok. Lilla was fine. She said that Matthew was a neighbor and to go ahead and they would catch up another time. Matthew and Lilla's small talk moved to more naughty things during the night, and when Matthew asked about her boyfriend, she giggled and explained she didn't have one. Matthew said, "Neither do I."

Matthew standing at 6' tall was considerably taller than Lilla and most of the talk had been in close contact shouting into each others ears as he adjusted his stance to hear their chat. All of a sudden Matthew looked Lilla in the eye and moved nearer to her face. She moved up towards him, his hand on her hip, he gave her a little kiss on the lips which quickly turned to something more as their tongues met.

Matthew's hand took a move down Lilla's back as he placed it on her butt and gently rubbed. Lilla was getting into it and raised her right knee up so she could get closer. This was unusual for her and behavior more fitting of Chanel, she thought. She didn't even know how old Matthew was but she

pressed as Matthew but still she thought to herself, "This fella should be fairly experienced." and able to show her a good time.

Matthew turns some music on quietly and nips into his bedroom and comes back out and asks if Lilla wants a drink "I've had enough" she replies sitting on the sofa looking bleary-eyed and her shirt pink dress riding up her legs stopping just short of showing her panties "Come here." she drunkenly demands. At that Matthew almost runs over and picks her up and puts her on the floor. She likes the roughness, and he immediately drives his tongue into her mouth and his left hand goes up her dress to her hip. She lifts her butt and he grips her underwear, which it turns out is a pink satin thong and pulls it down her legs as far as he can reach before she kicks it

off the rest of the way. He was nice and a neighbor and she was having some fun. They broke apart and Matthew said, "Come on, I'll take you home." They left and went out the front hand in hand. As they got in a taxi, they looked an unlikely couple but both were too drunk and wrapped up in each other to notice the gaze the driver gave them as they headed back in the taxi.

When they arrived at the apartment complex, Matthew got to the communal door and Lilla went in first and said "Which one's yours?" Matthew knew this was going to be a good night and led her upstairs to the second floor and into his apartment.

Inside the lights were on and Matthew took stock of his nights catch. "Wow." He thought to himself as she made her self comfortable on the sofa. Lilla looked at Matthew, and surveyed his appearance, he was wearing a tight black t-shirt a couple of sizes too small and every now and again would forget himself and breathe out displaying quite a belly. He was wearing black jeans and his dark thinning hair was brushed back held in by a little gel. It was fair to say she was not as im-

pressed as Matthew but still she thought to herself, "This fella should be fairly experienced." and able to show her a good time.

Matthew's hand then moves to her sweet spot and he rubs it and realizes she is soaking as his finger slides in with ease. He pushes right in and rubs her clit with his thumb while kissing her neck. He then stops and decides its time to move off the floor. He helps her up and leads her through to the bedroom. The lights are on and dimmed, but only slightly. He then gently pushes her back onto the bed. Her dress rises up and he has a good look at her sweet spot while her legs are splayed open. She is shaved with a very faint amount of fair pubic hair trimmed into a small "landing strip" and her lips look so neat and wet. A lovely looking pussy, and her ass was looking very inviting also just visible.

Matthew whipped his shirt off and quickly pulled down his jeans and boxers. In doing so his cock, already hard, sprung up. Leaving him standing there just in his socks, completely naked.

Lilla leaned up on her elbows and admired Matthew. His cock was hard. Really hard and pointing up at a slight angle and the circumcised head was glistening precum.

Matthew pulled his socks off and jumped back on the bed pulling off Lilla's dress leaving her just in her bra, which he snatched off her and threw to the floor. He looked at her full tits. The nipples were average sized and hard, and due to her fair skin, he could make out the very faint outline of some veins. This was going to be a good night, he thought.

He grabbed her feet and pushed them all the way back. Settling his hands under her knees and fully exposing her pussy and ass. He looked her in the eye and then went down moving his hands so that her legs were pushed back and his thumbs were pointing in on her legs towards her flat belly, and now his face was now inches from her wetness. He looked up and her eyes were closed. She was biting her bottom lip with her perfectly straight upper teeth.

He looked back down and moved nearer, the tip of his largish nose now millimeters from her clit. He pushed his tongue out and ran it up her slit as she let out a little groan. He then moved slightly and ran his tongue from her tight puckered ass hole all the way to her wet hole before curling his tongue and plunging it in; pulling out, and licking her clit. Then Matthew put his right index finger in her pussy working it in and out until moments later she groaned and shouted "Oh my God, yes... yesssss" and he felt a rush of wetness engulf his mouth.

He worked down her pussy and rubbed her ass hole with his ring finger, slipping the tip in she jumped and then relaxed. This was first time anyone had ever touched her ass. He was only the second fella to have her pussy (Chanel had previously, but that's another story). She was loving it and opening her legs wide to help accommodate his fingers.

Matthew readjusted himself so he could initiate a 69 and Lilla was now spread-eagled with Matthew rimming and fingering her ass and pussy. Now

finger of his right hand into her tight ass; the first time she had been "dp'd" and she let out a moan.

Matthew went faster and was getting so worked up he wasn't going to last, Lilla, in between groans, said, "Don't cum in my pussy." Matthew not wanting to impregnate this girl, slowed down to a stop and turned her over and pulled her ass up. Pushing back into her pussy from behind, she arched her back and sunk her head down. Matthew grabbed her hair with his left hand and wrapped it round his fist and pulled while fucking her hard. She loved it and reached down to rub her clit with her right hand. Matthew released his grip and eased his right thumb into her ass. This sent her over the edge and she squealed, cumming on the spot.

Matthew was losing sensation but was still hard as a rock. He pulled out and

his stiff cock was positioned just above her face. She took him in her right hand he adjusted himself as she pulled his member towards her face. She then leaned forward licking his salty shiny helmet. This was only the second cock she had in her mouth and she was a bit of a novice but eager to impress. She took to the task like a duck to water.

Licking the end, up and down the shaft before taking his stiffness in her mouth and gently sucking bobbing her head up and down every now and again; his cock touching the back of her throat but she could manage his size. Matthew eased off and enjoyed the feeling of Lilla sucking his cock. Now managing to ease two fingers into her tight pussy he decided to readjust now he was going to fuck his prize.

Pushing both legs down into the bed, he positioned his glistening cock head at her tight hole and looked at Lilla who was looking back, doing that thing which was driving him crazy, biting her bottom lip. Slowly he pushed in all the way and started to pump in and out, going faster and faster. He reached round and pushed the middle

pushed hard without pausing. Lilla surprised herself by pushing her ass back at his cock. Matthew was on the edge and pushed in three more times before erupting deep in her forbidden hole and pulling out. Lilla just froze, but she enjoyed being used by his cock. She could feel Matthews juice dribbling out her ass and she fell forward on the bed. Matthew didn't know what to say, so said nothing and wiped his cock on the duvet cover.

Lilla lay there for a moment before saying "I'd better go." He watched as she scurried round the room and bent over to pick up her thong, giving him a great view of her sopping pussy and weeping ass. She got dressed. Looked at Matthew and gave him a kiss on the lips and rubbed his flaccid wet bare cock before leaving, knocking over a small table by the door in her drunken state on the way out.

Matthew lay in bed for a moment more before getting up and moving to a chest of drawers opposite the bed. He moved some disorganised dvds and switched off his mini camcorder underneath, smiling to himself.

MYSTI MAY BOOTY CALLED

I have to admit that I'm a bit of a homebody. When Richard booty called me in the middle of the afternoon, I said cum on over. So I washed the dishes, vacuumed the floors, made the bed and spruced myself up for what was going to be a hot afternoon. Wanna know what our booty call was like?
